

A welder wearing a blue protective suit and mask is working on a large metal pipe. Bright sparks are flying from the welding point, creating a dramatic light effect. The background is dark, making the sparks and the welder stand out.

CHANAN FABRICATIONS PRIVATE LIMITED

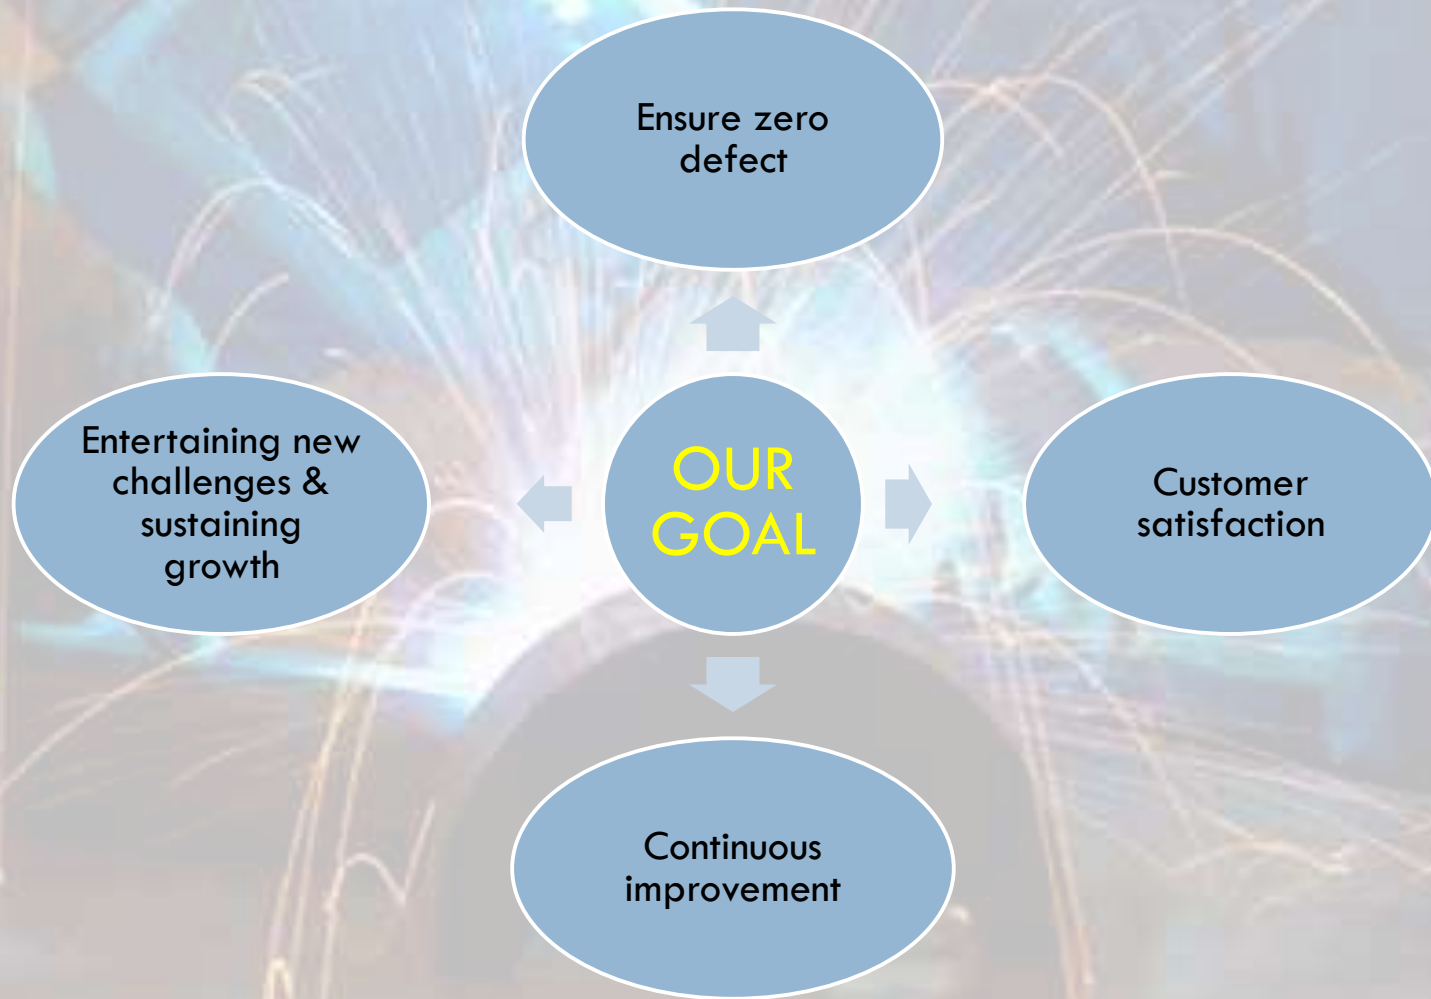

Vision Statement

- To be highly cultured and professional work group; to be a part of every individuals or organisations life in one way or other;

Mission Statement

- We strive to offer complete engineering solutions for sheet metal & fabrication.

Our Goal

Our Strength

Our Services

- Designing jigs, fixtures, dies, guages and complete tooling
- Manufacturing sheet metal and fabricated components which includes the processes of Power press, hydraulic presses, SPM drillings, ARC & MIG Weldings, Shot blasting, Double Head borings, Pipe cuttings, Pipe bending, Powder coating, VMC, Plasma cutting, etc

Products – Agriculture Tractor Industry

Products – Construction Industry

Products – Medical Industry

- PRACTICAL AND SIMPLE TO ERECT AND DISMANTLE
- WITH PROTECTING COVER, OXYGEN CYLINDER MOUNTING AND SALINE HOOK AS ACCESSORIES.

Our Assets – Setup Details

- Land Area 1820 sq. mt.
- Floors Ground floor with working sheds
- Constructed Area: 12500 sq. ft.
- Production capacity [Present] 200 ton/ per month
- Proposed capacity 2020 - 21 300 ton / per month

Our Quality

ISO 9001 – 2008 & TS 16949

We operate a quality system that complies with ISO 9001 – 2008 and TS 16949 is under process. Our aim is to provide a professional and prompt service in response to all our customer demands using lean manufacturing technology.

Training and safety

We regularly train our employees in order to raise their competency levels. We train our workers to use the equipment and to do the various tasks on their job and make them knowledgeable about the product, the equipment, and company policies to make decisions and to solve problems. Our aim is to prevent people from being harmed at work or becoming ill. By taking the right precautions and providing a satisfactory working environment in all areas of our business.

**Plot No. 7,8 & 10, Industrial Area, Ram
Nagar, District Una, Gagret, H. P. – 177201
India**

A welder wearing a blue protective mask and gear is working on a large metal pipe. Bright blue and white sparks are flying out from the welding point, creating a dramatic, high-contrast scene. The background is dark, making the sparks stand out prominently. The overall image has a slightly desaturated, industrial feel.

THANK YOU ...
